Facility: Daycare at Dog Day Afternoon includes a number of playrooms, filled with fun & interesting toys. Each dog is provided with his or her own crate should down time be required. All dogs will be walked outside for a potty break twice a day, and given as much water as desired.

We require a copy of your dog's vaccination record **before** your dog can "stay and play". If we do not have these records at the time of check-in, we will not allow your dog to stay. Please be sure to obtain a copy of your vaccination record from your veterinarian, or have them email the records to us before you arrive: thedogdayafternoon@att.net

Required immunizations include:

- Rabies
- Distemper
- Parvo Virus
- Bordatella (Kennel Cough)

- Make sure you confirm we have received your vaccination records from your veterinarian before your first visit.
- If your dog needs lunch while here, be sure to bring food in a Ziploc baggie clearly labeled with your dog's name. We will maintain your feeding schedule with your supplies.
- Make sure you bring any medication your dog may require as we will gladly administer it on schedule, free of charge.
- All dogs must be wearing a quick-release flat collar. While training collars are a wonderful thing while on leash, for your pet's safety, we do not allow them to be worn during play time. Therefore, a flat collar is necessary when introducing and removing your dog from a play area.
- All dogs must enter the building on a leash. If you use a flexi or extendable leash, ***please shorten and lock it!***
- Please make sure that all leashes and collars are labeled with your dog's name, many look the same.

- Please allow enough time in the morning to potty your dog out back in the potty area before entering.
- Children 16 and under are not permitted inside the facility without an adult.
- Please advise the staff of any allergies, dietary restrictions or special concerns your dog may have.

Dog Day Afternoon will provide treats, water, and a crate for each animal. We also stock a large supply of rawhides, bully sticks, and beef straps which you can purchase for your dog to have as a “pacifier” while he or she is having rest time.

LATE PICK-UP POLICY

All dogs must be picked up by 7pm each weeknight, and by 5 pm on Saturdays. Although we understand extenuating circumstances may prevent you from picking up on time, habitual tardiness may result in a tardy fee of \$50.
